On Assignment of the Biocidal product Inventory Number

Latvian Environment, Geology and Meteorology Centre (LEGMC) has evaluated an application submitted by UAB "BS Chemical" on 6 August 2019 concerning the biocidal product "FARM Closemasti".

LEGMC confirms that active substance of the biocidal product "FARM Closemasti":

- *D-gluconic acid, compound with N,N'-bis(4-chlorophenyl)-3,12-diimino-2,4,11,13-tetraazatetradecanediamidine(2:1) (CHDG)* (CAS No. 18472-51-0, EC No. 242-354-0) of 0,5% concentration,

is allowed for use in the Product Type 3.

The biocidal product "FARM Closemasti" meets the requirements of the Regulation No. 628 of the Cabinet of Ministers of the Republic of Latvia on requirements relating to the handling of biocidal products of 27 August 2013 (Regulation of the Cabinet of Ministers) and is allowed to be used as disinfectant for veterinary hygiene (Product Type 3), according to the manufacturer's instructions.

LEGMC assigns inventory number LV06082019/5675 for the biocidal product "FARM Closemasti".

The inventory number is valid until above mentioned active substance is approved in accordance with requirements of Regulation (EU) No 528/2012 of the European Parliament and of the Council of 22 May 2012 concerning the making available on the market and use of biocidal products or until Commission adopts an implementing decision that active substance is not approved, but not later than 31 December 2024.

LEGMC kindly ask to inform about any changes in information, which is submitted in accordance with requirements of Regulation of the Cabinet of Ministers.

Additionally, LEGMC would like to inform that UAB "BS Chemical" is fully responsible of the content of the biocidal product "FARM Closemasti" as well as its classification, labelling, instructions of use and safety data sheet.
